Rebecca,

Hi, this is Jana from Signs First Digital in Memphis. I just received an order that you did for us, and I just wanted to let you know how pleased I was with the results. The signs look great and I appreciate your help. Good service is hard to find, so when I find someone that actually does their job!!!!- Then I would definitely like to say thanks!!

Sincerely,
Jana

Derrick and Concept 1 Staff -

Thanks for all your help this summer with signs and t-shirts. I appreciate everyone giving us such great customer service. We had over 700 people for The Last Summer Blast, and I know that the signs you did helped to reach our community. Thank you for taking the time to make sure we were satisfied with every order. We will definitely do business w/Concept 1 again.
